MANETTA'S BAR

"They met at Manetta's, the kind of place she liked; it was lively but had secluded corners." – (P.10, A Life in Secrets by Sarah Helm)

Manetta's was the original hang-out at Flemings Mayfair Hotel in the 1930's for the likes of the depicted artists on the walls around you. It was also a favourite spot for spies that passed information over a delectable afternoon tea or whilst sipping on a cocktail. Now it's your turn to make some history in this reinvented space. Glamour, elegance, timelessness and great drinks will shape your night.
