Flemings Flower Blend

The fruity and creamy sweet exotic flavours will delight your senses and stir the excitement of a first romance. The skill of the master blender is the critical ingredient here - this is a multi-sensory blend with as much care taken on the appearance of the tea as on the aroma and flavour itself. Black tea, mango pieces and orange peel underpin the flavour profile, overall made creamy with a lovely natural strawberry essence.

Darjeeling Dreams

This Single Estate Darjeeling 2nd Flush tea, blended with organic cacao husks and lychee essence, offers rich dark chocolate and floral lychee notes, co-created with chocolatier Kazuaki Eguchi for an indulgent afternoon tea experience.

The Staunton Earl Grey

With an exceptional aroma and flavour profile that is light, sweet, floral and delicate, this tea produces a perfect cup for anytime of the day. Generally enjoyed black, or with a spot of milk.

Jasmine Pearls Green Tea

The infusion delivers a delicate blend of sweet jasmine aromas, a silky texture, and subtle green tea notes, finishing with a smooth, refreshing sweetness.

Lavander White Tea

San-Dak-Phu, the highest habitable point in Nepal's Ilam district, is where our rare and delightful White tea originates. Lavender enhances relaxation and pairs perfectly with afternoon tea.

Rooibos, Vanilla and Rose Infusion

A delicate blend of nutty rooibos, fragrant rose, and rich vanilla, offering a smooth, aromatic experience. The rooibos provides a naturally sweet base, while floral rose and creamy vanilla add a soothing finish, perfect for an afternoon tea indulgence.

Bliss

Unwind with our Bliss infusion, a calming blend of chamomile, rose petals, and subtle spices. This soothing tea brings floral serenity and balance, perfect for a peaceful afternoon.
