NYETIMBER

PRODUCT OF ENGLAND

For over 25 years Nyetimber has had a single aim: to make the finest English sparkling wine, one to rival the very best in the world, including Champagne. A true pioneer, Nyetimber was the first producer of English sparkling wine to exclusively grow the three celebrated grape varieties: Pinot Noir, Pinot Meunier and Chardonnay. Nyetimber is made from one hundred percent estate-grown grapes and is regarded as England's finest sparkling wine. Owner and Chief Executive Eric Heerema and winemaker Cherie Spriggs are committed to producing wines of exceptional quality.

RIDGEVIEW

E N G L A N D

Ridgeview is a family company dedicated to the production of the highest quality English sparkling wine based on the South Downs of England. Founded in 1995 by the Roberts family, their dedication, passion and determination have significantly contributed to the international reputation and popularity now attributed to English sparkling wine.

Throughout their 20-year history Ridgeview have won many accolades including English wine of the year four times and the trophy for "Best Sparkling Wine" at the Decanter World Wine Awards, the only time the award has been given to a wine produced outside of Champagne. The wines have been served by Her Majesty at state banquets at Buckingham Palace and for the official Queens Diamond Jubilee celebrations. In 2016, it was announced that Ridgeview are the official supplier of English sparkling wine to No. 10.

The blended wines carry London names in reference to Christopher Merrett, the Londoner who in 1662 first documented the process of producing sparkling wines. The technique is thought not to

GUSBOURNE

Gusbourne's goal is to create English Sparkling Wines that stand up against the very finest offerings from around the globe. The first vines were planted in 2004. In 2010, the debut vintages of Gusbourne Brut Reserve 2006 and Gusbourne Blanc de Blancs 2006 were released to critical acclaim. Gusbourne quickly earned a reputation as a producer of outstanding quality wines, with accolades from some of the industry's most exacting critics.

Their recent award highlights include 6 Gold medals in 2015, including 2 'Gold Outstanding' from the International Wine and Spirits Competition, 2 Platinum awards at Decanter World Wine Awards 2016 and English Wine Producer of the Year in 2013 and 2015.

Gusbourne believe that the only way to ensure the quality of their grapes is to grow them themselves. Therefore, all of the grapes used in their winemaking are sourced solely from their own vineyards, planted to Chardonnay, Pinot Noir and Pinot Meunier. They chose to plant primarily Burgundian clones – so the vines produce lower yields than other clones, but the fruit is riper and with more flavour. Extended lees ageing helps to create wines with both elegance and

The story of one House, one Champagne and three inspiring women
 Champagne Devaux was founded in 1846 in the regions southern part the Cotes des Bar by brothers Jules and August Devaux. The house was then managed by three inspiring women, each generation widowed, each generation leading the family winery with remarkable talent and energy. Today our partner-growers give their best to obtain the highest quality grapes at harvest. We apply the same approach in the cellar, using rare methods like ageing our reserve wines in oak vats and extended ageing to bring you the finest quality in Champagne.
